

Specification Examination Nitrile Gloves

Brand	TMG (Thai Medical Glove)
Glove Sizes	S, M, L, and XL; ASTM-D6319-10 and ASTM-D6319-19
Color	Blue/Customized
Standard packing	100 pcs/Dispenser Box, 10 Dispenser boxes/Carton
Freedom from Holes	FDA 1000ML Test method, AS TM D5151-06
Protein Content	ASTM D5712-10.
Minimum Length	240 mm
Conformance	Comply with Standard set forth in ISO 13485
Physical Properties (Before Aging)	a- Tensile Strength (MPa) Min 14
Physical Properties (Before Aging)	b- Elongation (%) Min 500
Physical Properties (After Challenge Testing)	a- Tensile Strength (MPa) Min 14
Physical Properties (After Challenge Testing)	b- Elongation (%) Min 400

Carton (10 Boxes of 100 Nitrile Powder Free Gloves) Dimension and Weight

Size	Weight (g)	Width (mm)	Length (mm)
S	3.5	< 80	240
M	4	80 (+/- 10)	240
L	4.5	95 (+/- 10)	240
XL	5	110 (+/- 10)	240

Certificates and Licensing

ISO 9001:2015, ISO 13485:2016, ASTM D63 19, EN 455, USA FDA 510K, and
MDD CLASS 1 CE

Functional Benefits

- Ergonomic Design & Perfect Texture: Durable and Comfortable
- NR2 & NBR materials provide elastic soft and fit to skin
- Non-irritation for sensitive skin
- Medical and Food Grade to prevent from unwanted substances
- Environmentally Friendly
